Custom Designed For You

Every aspect has been custom designed and made with optimal storage throughout the design including adjustable shelving to the top and storage underneath for printers, scanners and other office equipment. Featuring beautiful characteristics of the client's exterior details within the design, connecting and harmonizing the exterior of the home to the interior.

Family Approved

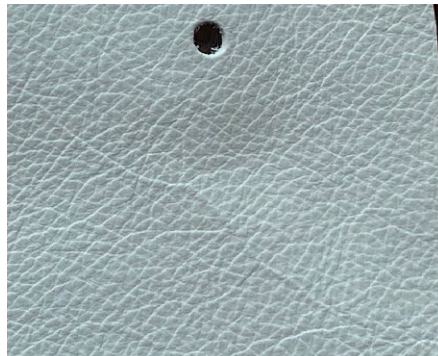

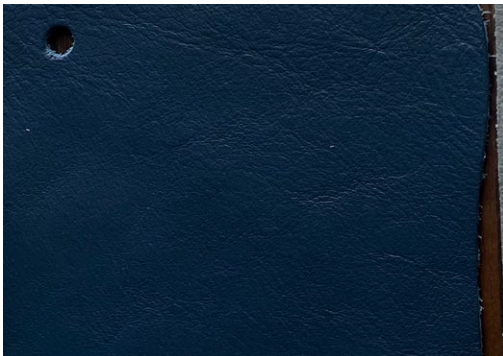

Bespoke Finishes

Finished in a custom whitewash stain with blue backing which matches and balances seamlessly with this client's exterior paint colours, providing a beautiful harmony between the home and the interior room scheme. Each of our bookcases, desks and furniture pieces are custom designed and made to required dimensions, colours and finishes.
