Custom Designed For You

Individually designed and uniquely tailored in terms of colour, finish, style and dimensions to ensure the perfect fit every time. Custom made using premium materials, luxurious fabrics and the finest quality upholstery, foams and cushioning for long-lasting and supreme comfort. Each sofa is personally tailored to suitable seating depth, backrest height and lumbar support.

Luxurious Scatter Cushions

Classic & Contemporary Style

Our sofas are available in Classic to Contemporary styles, all tailored for shape and configuration to suit room size and orientation. Built for strength and optimal comfort and finished from a wide range of luxurious fabrics with co-ordinating scatter cushions available to complete the perfect look.

Premium Bespoke Designs

Any shape, style and unique curved design can be achieved through our meticulous planning process. With Mark's valuable knowledge in crafting and manufacturing every sofa produced by us is of a premium quality and uncompromising design.
