

## Contemporary Living

With a brief for a Contemporary, easy living home consisting of quality furniture pieces, this functional family home with various spaces for informal and practical living was brought to life. Showcasing unique and custom made furniture pieces to suit the client and their home.

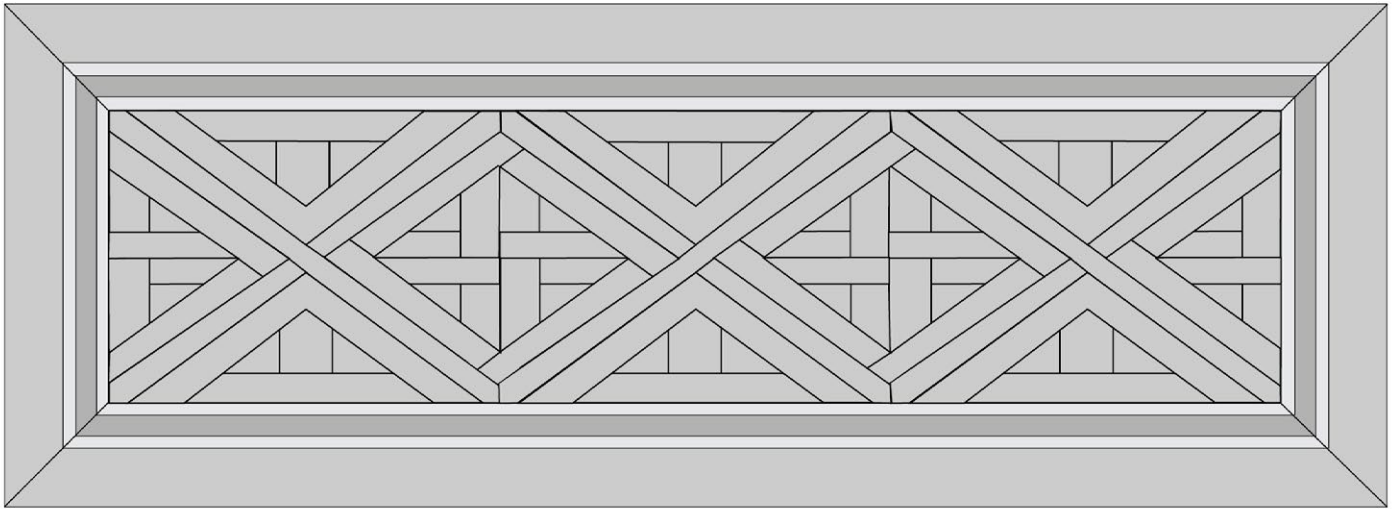

# Australian Made & Designed

The heart of the home is the masterfully designed and crafted parquetry table in solid Oak, paired with superbly comfortable chairs and coordinating room furnishings. Each hand crafted in Australia with Contemporary design, all feature details relating to the home's Georgian influence.

# Luxury Fabrics & Finishes

Each of our Australian made pieces are meticulously sketched, planned and produced for an uncompromising result. Finished in a range of colours, stains and fabrics to suit you and your home. Based on your unique requirements our design team can assist and guide you through the selection and design process to achieve the furniture of your dreams, personally tailored to you.
