

## Modern Art Deco Design

Show stopping design creating a commanding presence and statement. A Contemporary Modern masterpiece with Art Deco influences showcased throughout the feature bespoke room furnishings and finishes.

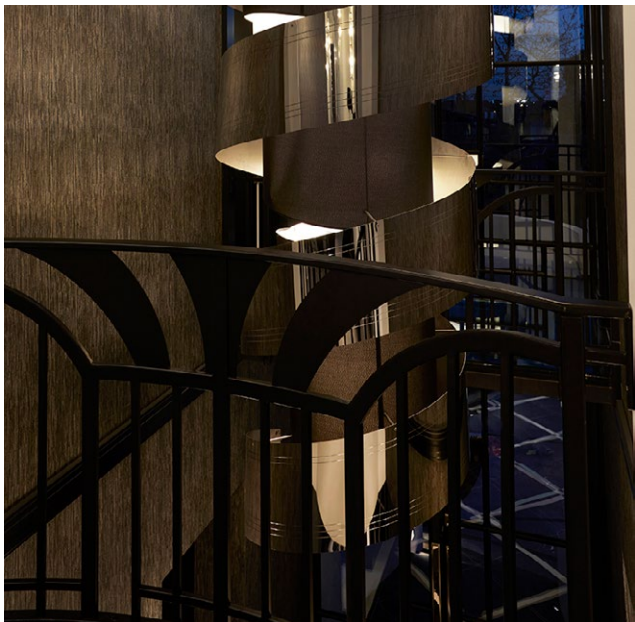

# Luxury Interior Design

Pops of gold and ochre handsomely coordinate from the bespoke floor rug and sofas to the walls – a statement of success and oasis for our audacious client. Mark Alexander has been creating true interior works of art for over 30 years and provides a deeply personalized and unique service.

# Bespoke Furniture Pieces

Ebony cabinetry masterfully designed and finished, an impressive backdrop to the luxurious fabrics used on the stunning custom designed sofa and arm chairs. This gorgeous colour palette is carried across into the bespoke rug, finishing this gorgeous Modern interior perfectly.
