

## Federation Queenslander

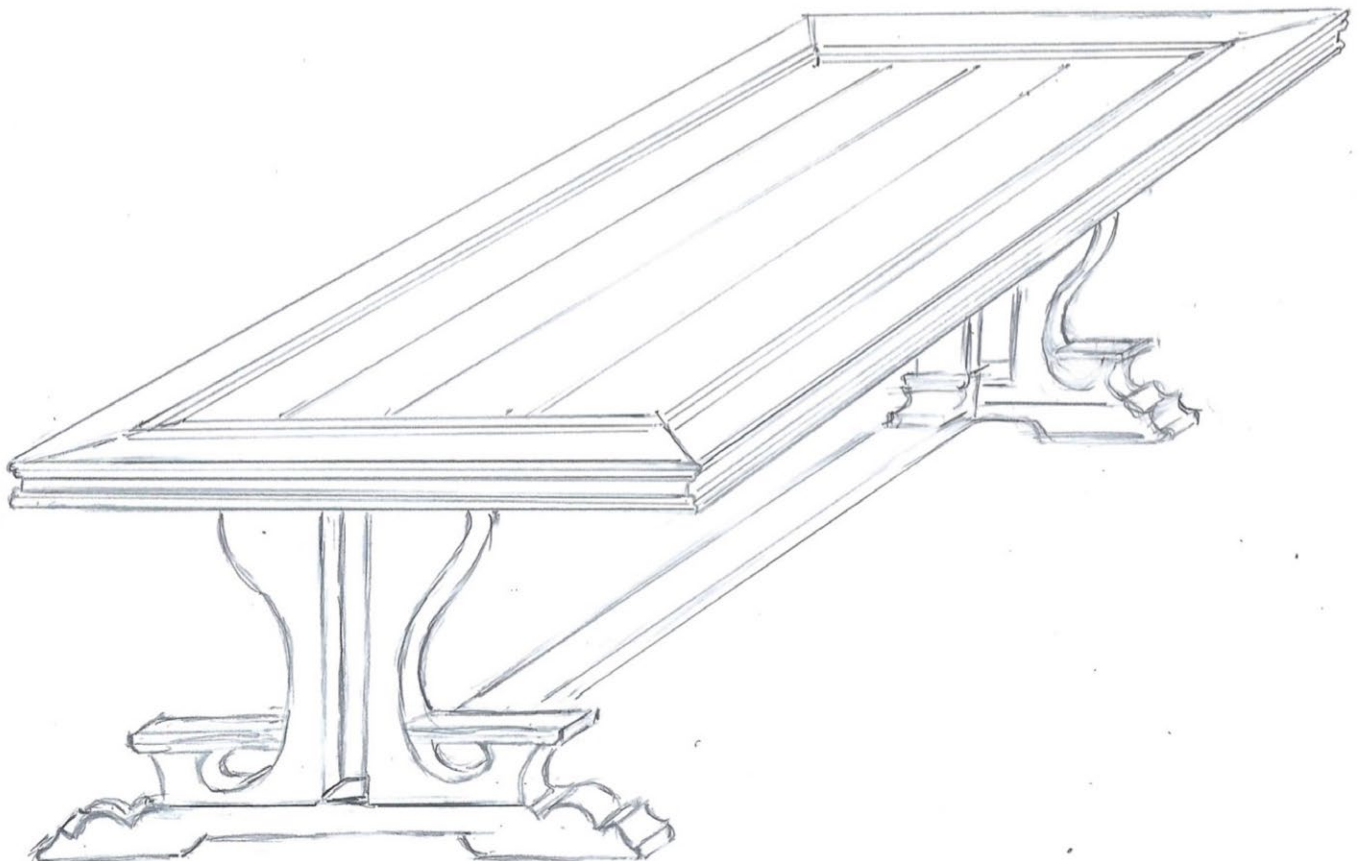

We've just released our new Art Nouveau and Federation design French Table. Inspired by the Queenslander and Federation architecture, it's the only one of it's kind in Australia. Made to order furniture, using the finest quality timbers and materials.

# Click To View The Process

Mark Alexander explains how inspiration has been drawn from Art Nouveau and Federation styles for this custom table design with the unique feature base being directly inspired by the existing features and characteristics of the home, designed to complement the interior architecture of the classic Queenslander and Federation styles.

# Australian Made & Hand Crafted

Add a unique and elegant piece to your home with our custom designed and handcrafted parquetry tables. All designed by renowned designer and artist Mark Alexander. Every piece of French Tables furniture is exclusively custom made in Australia to meet your preferences, and is crafted from the finest solid timbers & materials.
