

Contemporary Modern

Simply breathtaking Contemporary Modern interiors, with influences of Classic, Art Deco and signature styles to masterfully highlight a client's unique personality and interior. With quality, custom designed and made feature furniture pieces adding a sense of Grandeur to Mark's interior design schemes.

Unique & Made To Order

Each interior and furniture project by Mark Alexander Design Artistry is a unique and personalized journey with the client, to achieve their dream interior. Each furniture piece and luxury interior finishes such as wallpaper and lighting are all custom designed and made to order to suit.

Luxury Custom Designs

Every element is exclusively designed to meet the client's individual needs and expectations and close attention is paid to every intricate detail. This results in truly breathtaking, personal designs which create intimate, luxurious and timeless interiors.
